Confirmed --it is in the hopper waiting on Kendra and I just sent her an email. I am in the Personal Matters/Ex. 6 with Personal Matters/Ex. 6 But I will keep it moving and HQ confirmed that they would process asap as it is GK related.

Just confirmed with Andrew Schmidt that you were going to add \$90K to the USGS IA for Upper Animas support – peer review & “pay back” for Rob Runkel modeling & field assistance?

This \$\$\$ was coming out of the \$400K of Remedial pipeline allocated for Upper Animas. **Please confirm ASAP.** Thanks.
